Slack is the communication method that has been used for the last 5 years. When C25k starts there will either be C25k run or training unless an extra run leader is present who can offer a 5k run. Emphasis is always on training more run leaders and KD and JF are recent suggestions to be put forward for a run leaders' course.</p>	
<p><b>7. Communication – to members</b> – club training, events, champions league, the Wiltshire leagues, promotion of shorter social runs. Encourage members to check Slack and the notice board will help with communication. Tips on Slack to be shown at AGM, KF will do the presentation. KF looking into a date for Allington run.</p>	KF
<p><b>8. Club objectives</b> – what is the club trying to achieve? What are the drivers? This information is on the website. Does this need amending and sharing with others?
